April 2014

---

CAUTION: The last week of March and the first week of April, children walking home from school on Vickie were approached by a man in a white pickup truck, wanting them to come to the truck to get some candy. Fortunately, none of the children went to the truck. Please be aware of suspicious activity in our neighborhood and please warn your children to be aware of strangers.

We have changed the location of our monthly meetings to the Del City First Church of the Nazarene at SE 26<sup>th</sup> & Vickie. We meet in the smaller building behind the main church building. This is the building where many of us vote. We are most appreciative of the hospitality given to us by the Del City Church of Christ all these years, but our contact person there who would set up and close up for us is having some health issues right now and we don't want to put any more of a burden on him.

**Olde Towne Neighborhood Watch Association Meeting**

At our March meeting, it was announced that Del City is getting a Dairy Queen just west of the On-Cue at SE 29<sup>th</sup> & Sooner. Also Ted's Mexican Restaurant, an At&T Phone Store and The Garage Hamburger place will be opening in The Shoppes just west of Sooner and south of I-40. A Harbor Freight Tools will be going in next to Golds Gym on SE 15<sup>th</sup>. Support our Del City businesses whenever possible. That is sales tax revenue for us.

We heard an explanation of a new way to break into homes using a zip tie and the emergency latch of garage doors that have garage door openers. If you are going to be gone on vacation, you might want to unplug your garage door opener.

Don't forget to recycle your newspapers and catalogs in the big green recycling bins located at Del City Elementary, Kerr Middle and Del City High School. Instead of creating more trash, create money for the schools.
