Winter 2015

Merry Christmas Olde Towne.

To those who normally have trash pickup on Fridays, trash pickup will be Thursdays, December 24 and December 31 instead of Christmas Day and New Years Day.

We hope our members did not suffer too much damage in the ice storm right after Thanksgiving. I know some of our streets lost electricity and I think most of us lost tree branches if not whole trees. Quite a way to start the Christmas season. Hopefully, things are getting back to normal.

Due to weather concerns, we will not schedule a regular meeting this winter. Last year, every time we had a meeting scheduled during the winter, the temperatures turned brutal or a winter storm was forecast and we had to cancel last minute. Some of us are getting too old to brave the ice. If something comes up we need to discuss, we will call the members who would regularly come to the meetings or those who will let us know that they want to be notified.

SPECIAL STORM DEBRIS PICKUP

The ice storm over the holiday weekend appears to be one of the worst, if not the worst, ice storm The City of Del City has ever had to deal with. In times like this, the City always steps up to clean the mess up. This time is no exception. City crew will begin the cleanup starting tomorrow. Here is what you need to know:

- It is the resident/property owner's responsibility to get limbs to the curb. The City cannot legally go on private property to remove limbs from the yard.
- Tree limbs may also be taken to John Smith Sports Complex.
- **Limbs do not have to be bundled and tied**, but if you can, please do this for us as it will reduce the costs.
- The cleanup will be on-going until all the debris is removed. No final deadline can be set at this point but there will be one announced at some point in the future.
- Crews will be taking care of what is in the streets and what is already on the curb first. The crew will come back when more debris makes it to curbside.

Please be patient. This is a disaster and it will take time to get this mess cleaned up. Our timeline for cleanup depends to a great extent on how fast you get your debris to the curb. Remember, we are not the only City doing this and City crew will have a lot to do.

U.S. Courts [News](#): Scam Targets Bankruptcy Filers

A Sophisticated phone scam is targeting bankruptcy filers in several states, using personal information from filings and posing as attorneys to get intended victims to immediately wire money to satisfy a debt. The National Association of Consumer Bankruptcy Attorneys issued a warning that "Under no circumstances would a bankruptcy attorney or staff member telephone a client and ask for a wire transfer immediately to satisfy a debt. Nor would the bankruptcy attorney and staff ever threaten arrest if a debt isn't paid." Bankruptcy filers in Vermont and Virginia reportedly have received calls. Vermont's Attorney General says scammers use software to "spoof" the Caller ID system so the call appears to be originating from the phone line of the consumer's bankruptcy attorney. Typically the calls come late in the evening or during non-business hours to make it difficult for intended victims to verify the call by contacting their attorney. Consumers receiving this kind of call are advised to hang up and contact their bankruptcy attorney as soon as possible. Do not give any personal or financial account information to the caller.
