Volume XIV

March 2014

Hello Neighbors,

At the last Round Table meeting of all the neighborhood watch groups in Del City, we decided the dates for our free dumps. Each neighborhood watch will sponsor a weekend and citizens can go to any one or all. A Del City water bill is required. The free dumps are only possible because of the volunteers of the neighborhood watch groups. The city provides the containers and location, but only if the neighborhood watches will provide the manpower to make sure tires or hazardous materials are not dumped. If you have ever had to pay to take your large trash to the dump, you know what a valuable service the neighborhood watch groups are providing. The dump schedule is located elsewhere in the newsletter.
